Product Information

Cat.No. 0566-SC-C4867L-M

Product Name SuperCult® Human Skeletal Muscle Microvascular Endothelial Cell Medium Kit

SuperCult® Human Skeletal Muscle Microvascular Endothelial Cell Medium Kit is designed to promote Human Skeletal Muscle Microvascular Endothelial Cell's proliferation in vitro. This medium kit consists of Basal Medium (250ml) and Growth SupplementMix (5ml).

Instruction

SuperCult® Endothelial Cell Growth SupplementMix containing optimized concentrations of:

- Human FGF basic
- Human LR3 IGF-1
- Human VEGF165
- Human EGF
- Heparin
- Hydrocortisone
- L-Ascorbic Acid
- Fetal Bovine Serum

Add 5 mL of Endothelial Cell Growth SupplementMix to 250 mL of Endothelial Cell Growth Basal Medium.

Description

Storage

Store the basal medium at 2-8°C. Store the Supplement at -20°C. The complete cell culture medium with SupplementMix can be kept in 4°C for one month. Protect from light.

Note: To assure sterility after 2 weeks or if there is concern that sterility was compromised during the supplementation process, the prepared medium may be refiltered with a 0.2 um filter.

Shipping

Ice pack and dry ice.
